Dream daddy robert dog

This article is a stub. You can help Dream Daddy Wiki by expanding it. Robert Small is one of the accompanying dads at Dream Daddy. Coined as the Bad Dad choice, Robert is a distant widower with a macabre sense of humor. His favorite hobbies include drinking whiskey and playing with people through the elaborate, often shocking stories he makes to get a reaction. Robert is rebellious, quick and unwilling to talk about something very serious. Perhaps because of these qualities he is friends with Mary despite the fact that he was having an affair with her husband, Joseph. If the idol pursues a romance with Robert, the third date Mary asks to keep an eye on him as he acts unusual. The idol later learns Robert has been estranged from his adult daughter, Val, who has recently been in contact with him. The avatar can offer Robert advice on whether or not he should try to reconnect with Val; the decision determines the final result of its route. If you go on two dates with Robert and then choose Joseph as the father of your dreams, Robert will treat you with rage on your third date with Joseph. Joseph describes it as a one-night stand with Robert leaving him, although the image that can be found on Joseph's yacht suggests otherwise. Robert is probably the oldest love interest. Despite the crypt hunt, Robert thinks Motman is a fake. Robert Whittles to relax. Robert owns a Boston terrier named Betsy, whom he adopted from the Maple Bay animal shelter (partly as a return for nearly killing Damien with a wooden stake). Collection[editing | source]]
